## IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

## Busy Burglars

While Germany has some "Busy Berthas" we have some busy burglars. At Huntsville early Wednesday morning, three men blew the door off the vault at the postoffice at Huntsville and one of them was shot in the back and captured by Marshall Richardson and assistants. The burglars escaped with nothing in the way of booty. The shot of nitroglycerine was so heavy that it blew that vault door up into the ceiling. There was little of value in the vault. Last Saturday night a burglar entered the office of Dr. Tyding, a dentist at Moberly.

Taylor & Moore have been sending out two and three carloads of wheat to the market in the past few weeks.

## THAT COLD YOU HAVE

may bring sickness, doctors bills and loss of work; you know that serious sickness usually starts with a cold, and a cold only exists where weakness exists. Remember that.

Overcome the weakness and nature cures the cold—that is the law of reason. Carefully avoid drugged pills, syrups or stimulants; they are only props and whips.

It is the pure medicinal nourishment in Scott's Emulsion that quickly enriches the blood, strengthens the lungs and helps heal the air passages.

And mark this well—Scott's Emulsion generates body-heat as protection against winter sickness. Get Scott's at your drug store to-day. It always strengthens and builds up.
